ABOUT CRUISE DIRECT

Initially, BayRunner Cruise Direct will operate on Sundays, offering convenient access to the Carnival Cruise Lines departures to the Bahamas. Departing both Salisbury and Easton, the service is priced at a low \$150 round trip per couple. (\$75 round trip for singles) and includes free parking at both locations.

John Presburg, President said, "At this price, we feel we are offering the cruise passenger an unbelievable value. The trip cost is virtually the same as driving the family car and then paying for parking on the dock, with all of the hassle removed. With Cruise Direct, the vacation begins when you board the shuttle, not when you board the ship! Plus, leaving the car at home conserves gas and helps to preserve the environment."
